## GROUP RACE FEE & PEDAL CYCLE POLICY WORDING

This document is a legally binding contract of Insurance between Castle Race Series (you) and us.

We agree to insure your participants under the terms, conditions and exceptions contained in this policy wording and outlined in the policy schedule. Your participants are insured during the period of insurance for which you have paid, or agreed to pay, a premium and for which they have opted-in.

Race fee cover starts from the time your participants opt in to your group policy through to the start time of the event. Theft cover is operative for the 24hr period surrounding the event. Damage cover is operative during the event only.

Unless we have agreed otherwise with you, this Insurance is governed by English law.

### CLAIMS

Remember that it is a condition of your policy that your participants must provide all information and assistance we may require during the course of our investigations. Failure to do so may result in unnecessary delays and expense being incurred or their claim not being paid.

To submit a claim please click [HERE](#)

### HOW WE WILL SETTLE PEDAL CYCLE CLAIMS

We won't pay more than the amount it would have cost us to replace or repair using our own suppliers.

We do not have to use any pedal cycle dealer or distributor nominated or selected by your participants. However, if their preferred pedal cycle dealer or distributor will match the prices available to us, and work with us directly, we will consider their request.

They must accept that we may appoint a specialist, including carbon restoration experts, to investigate, repair and restore any pedal cycle claim on our behalf. They must retain any damaged pedal cycles for inspection unless we have advised otherwise.

The most we will pay will be the value of the pedal cycle.

Where there is a partial loss we will pay the proportionate value of the damaged item(s) being claimed for rather the full pedal cycle replacement cost as new. For a bespoke build, this may be restricted to the value for the individual damaged part.

## HOW SHOULD I VALUE MY BIKE?

Other insurers may have differing views on how to value items. **Your participants** may have even had a different cycling insurance policy in the past. With **their** Castle Race Series policy, **we** can only insure **pedal cycles** with a **value** up to £5,000. If **their pedal cycle** is worth more than this, **we** cannot insure it. If in doubt, **your participants** should contact **our** friendly support team who will be able to help.

**We** have a consistent valuation method. **Our** examples below might help **your participants** if **they're** unsure after reading the definitions.

## A FEW VALUATION SCENARIOS WHEN BUYING A BIKE FROM NEW

<b>Q1</b>	I purchased my bike for £5,000 from a retailer in 2016 and have had no upgrades since; does this policy cover me?
<b>A</b>	Yes. The value will be £5,000, i.e. the price you paid for it.
<b>Q2</b>	I purchased my bike for £5,000 from a retailer in 2018 and then spent £1,800 upgrading the wheels and saddle in 2019; does this policy cover me?
<b>A</b>	No. This bike is valued at £6,800. You should consider a more bespoke policy for the event, or purchase year round cover. Our support team will be able to advise.
<b>Q3</b>	I purchased a bike worth £6,000 RRP for £4,500 in a sale; does this policy cover me?
<b>A</b>	Yes. The value would be capped at £4,500. The invoice should show the discounted price.
<b>Q4</b>	I was gifted a new bike worth RRP £3,000 in 2019; does this policy cover me?
<b>A</b>	Yes. This would be valued at £3,000. This also includes if you won the bike as a prize in a competition. <b>! Remember to keep proof of the prize or evidence it was gifted.</b>
<b>Q5</b>	I purchased an antique bike ridden by Eddy Merckx for £5,000 in 2012; does this policy cover me?
<b>A</b>	Yes. In this instance, we would require photos of the bike and a copy of the valuation letter less than three years old to verify the value.
<b>Q6</b>	I built a bike up myself from parts. I paid a total of £4,500 for the frameset, wheelset, groupset and finishing kit from various sources; does this policy cover me?
<b>A</b>	Yes. The value would be £4,500.

## A FEW VALUATION SCENARIOS WHEN BUYING A USED BIKE

<b>Q1</b>	I purchased a bike from a friend for £750; does this policy cover me?
<b>A</b>	Yes. The value would be £750 in the event of a claim. <b>! Remember to keep a copy of the receipt or transfer of ownership</b>
<b>Q2</b>	I bought a bike for £4,000 on eBay, and then purchased a brand new wheelset for £2,000; does this policy cover me?
<b>A</b>	No. Your bike is valued at £6,000. You should consider a more bespoke policy for the event, or purchase year round cover. Our support team will be able to advise here.
<b>Q3</b>	My Aunt gifted me a second-hand bike; does this policy cover me?
<b>A</b>	Gifted bike values should be agreed upon with us in advance. Whether we can cover it depends on how much your Aunt paid for it. If she spent more than £5,000, then no. <b>! If you don't know the price she paid, you should speak to our support team to double check.</b>
<b>Q4</b>	My brother gifted me a second-hand bike, and I've since spent £2,500 upgrading the groupset and wheelset; does this policy cover me?
<b>A</b>	It depends on the combined value of the entire bike. <b>! If you're in doubt, confirm the value with our support team.</b>
<b>Q5</b>	I paid £4,500 for an ex-display bike, but it's worth £6,000 RRP; does this policy cover me?
